

# Thyssen Multifunction, Neuhausen

Sound and heat insulation for office building

# Thyssen Multifunktion, Neuhausen

## Facts and Figures

### **SOMMER provides facade solutions:**

The exterior facades from the ground floor to the 5th floor with a floor-to-ceiling LM element facade.  
The entrance and foyer facade was executed as a steel-aluminum-glass facade.  
The interior atrium facade was executed with a LM mullion-transom facade.  
On the ground floor, there are LM doors integrated into the facades and a revolving door system.
