

EO, Bad Homburg

New offices at the city entrance

EO, Bad Homburg

Facts and Figures

Exciting design with lots of light and glass, flexible options for use in a prime location on the outskirts of Frankfurt: The „EO“ in Bad Homburg is ideal for classic office use, company expansions or co-working spaces.

On a total of around 24,000 m² of rentable space, both buildings have balconies and terraces. From the upper floors there is a partly unobstructed view of the Taunus and the skyline of Frankfurt.
